Skimming Exercise: Main Idea Hunt
Objective: Help children identify the main ideas of a text quickly.
Materials Needed: Short articles, stories, or passages
Highlighters or sticky notes
Procedure: Give children a brief passage (around 200 words). Instruct them to read the title, headings, and the first and last sentences of each paragraph. Ask them to jot down or highlight what they think is the main idea of each section. Discuss their summaries and compare with the actual content.
Variation: Use a picture book or comic strip where children identify the overall theme without reading every word.

Scanning Exercise: Fact-Finding Mission
Objective: Train kids to locate specific information swiftly.
Materials Needed: List of questions related to a text (e.g., "What is the name of the main character?", "How many planets are there?")
A passage or chart containing answers
Procedure: Present the passage, such as a short biography or an informational chart. Provide children with a list of questions. Set a time limit for them to find the answers by scanning the text. Review answers together, emphasizing the speed and accuracy of their search.
Tip: Use texts with bolded or highlighted keywords to facilitate scanning.

Combined Skimming and Scanning Challenge
Objective: Integrate both skills into one activity.
Materials Needed: An informational article, story, or report
Question sheet with main idea and detail questions
Procedure: First, ask children to skim the text to get an overall understanding. Then, give them specific questions that require scanning to find detailed information. Encourage them to switch between the two strategies as needed. Discuss how skimming helped them know where to scan and how scanning helped locate precise facts.

Visual Cues and Text Features Exploration
